#### REPORT ON REVIEW BY INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

The Board of Directors Western Glory Hole, Inc.

We have reviewed the condensed balance sheet of Western Glory Hole, Inc. (development stage company) as of March 31, 2000 and the related condensed statement of operations and the condensed statement of cash flows for the three months ended March 31, 2000 and 1999 and the periods March 28, 1983 (date of inception of development stage) to March 31. 2000. These financial statements are the responsibility of the company's management.

We conducted our review in accordance with standards established by the American Institute of Certified Public Accountants. A review of interim financial information consists principally of applying analytical procedures to financial data and making inquiries of persons responsible for financial and accounting

matters. It is substantially less in scope than an audit conducted in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements for them to be in conformity with generally accepted accounting principles.
